

The DiveZone brings 5 Star Diving back to Wiltshire

'Coast' and 'Wreck Detectives' presenter Miranda Krestovnikoff was greeted by a pod of enthusiastic divers and their family and friends when she arrived as a special guest to cut the ribbon for a bubbly opening of The DiveZone – a brand new PADI Five Star Dive Centre in Melksham on Saturday 24th November.

Over 100 guests and customers joined Miranda and Dive Centre staff in enjoying a glass of bubbly and piece of cake to celebrate the grand opening, many staying to browse the well stocked shop and purchase signed copies of Miranda's new book, 'Scuba Diving'.

The DiveZone is the only Dive Centre in Wiltshire to boast Five Star PADI status, with a shop selling top quality equipment, on site servicing facilities, a classroom, hire equipment and a fill station in one easy to reach location at Avonside Enterprise Park, Melksham.

The DiveZone was set up and is run by diving enthusiasts with a passion for providing quality equipment and service, and its five Instructors have been training divers in Wiltshire for over 10 years – previously working as part of Scubaleisure and Aqualeisure Dive Centre.

For training, equipment, travel and experience contact The DiveZone Centre Manager, Colin Eadie on 01225 791440.
